IMAGINE YOUR STORY!

Summer Reading 2020

Directions: Read three books from the summer reading list. Prepare a project using any of the activities below. In addition, complete the other two activity sheets for the other two books. The project and the activity sheets are due on the first day of school. Grammar, spelling and neatness will be used as part of the grade. Each project and report must be labeled with your full name and new class. Each project must also include the title and author of the book that was read. You may also want to create a Word Search on the sheet that is provided to accompany one of the books. This is an extra-credit activity that also is a lot of fun! Enjoy the summer, and...

HAPPY READING!

Choose one of the following for the project:

1. Create any craft project including the following, but not restricted to: sculpture in any medium (i.e. clay, aluminum foil, soap, pipe cleaners, origami, tissue paper, egg cartons, baskets, tongue depressors, craft sticks, drinking straws, paper plates, styrofoam, juice containers, etc.) Create anything that relates to the book.
2. Create a booklet – drawn, magazine pictures, collage, photographs, etc., may be used. Create your own booklet or journal based on the book you have chosen.
3. Create a character puppet. It can be a finger puppet, clothespin puppet, paper bag, or sock puppet using any fabric or craft items.
4. Create a cover for your book. Include a picture, title, and author for the front, a summary and information about the author for the back.
5. Research your author. Write 5 interesting facts about him or her. What else did your author write?
6. Write a different ending to your story.
7. Conduct an interview with your favorite character. Write 5 questions to ask him or her. Make sure to answer them too!
8. Create a sample test with ten multiple-choice questions and one essay question relating to your book. Make sure you answer the questions on a separate answer sheet.
